

# Chicago Heights Facility

At the hub of the U.S. transportation center sits Bull Moose Tube Company. Chicago produces one of the main stays of Bull Moose Tube's products: Mechanical tube. Finishes include hot rolled, hot rolled pickled and oiled, cold rolled and coated.

Our Chicago Heights facility's tube mills operate on a 24-hour basis. Our excellent relationship with the many common carriers in the area assures you of on-time delivery and provides a convenient location for shipment of your orders.

## CHICAGO HEIGHTS FACILITY
