

GET REDDI TO SAVE

Reddi-Pipe® arrives at your shop with a durable, red matte finish—we even offer aerosol touch-up paint! And your savings & advantages keep stacking up from there:

- No shipping costs or added lead time associated with powder coating.
- Fully stenciled for full UL/FM and AHJ compliance.
- Parts never leave your shop and you never lose traceability.
- Easy to weld (unlike powder coating).
- Competitively priced.
- Protected by our exclusive EddyGuard II antimicrobial coating.

BOTTOM LINE: these Bull Moose sprinkler pipes are Reddi...to save you time and money. Visit BullMooseTube.com to learn more.
